Visa Details Check

Important information about VEVO

A VEVO check shows the visa details and conditions associated with a particular visa holder, such as work or study rights.

VEVO Visa Details Checks are only current at the time conducted and should only be considered valid when received directly from the VEVO system.

Not all visas allow people to work. Some Australian visas have work conditions which may include not being able to work at all or only being able to work with a certain employer or a specific number of hours.

Foreign nationals who do not have a valid visa are not allowed to work in Australia. This might include a person whose visa has expired or been cancelled.

Employers are strongly encouraged to conduct their own VEVO Visa Details Check as it is a criminal offense to hire or refer illegal workers in Australia.

Employers who hire, or refer workers without the right to work, face serious penalties including fines or imprisonment.

With the permission of the visa holder, registered employers may conduct a VEVO Visa Details Check to confirm the visa details and conditions of employees. For more information about employing a visa holder, please go to: <https://www.homeaffairs.gov.au/legalworkers>
