## Visa Details Check

This document contains the result of a Visa Entitlement Verification Online (VEVO) Visa Details Check and is valid as at Tuesday January 18, 2022 11:54:23 (AEDT) Canberra, Australia (GMT +1100).

### Important information about VEVO

A VEVO check shows the visa details and conditions associated with a particular visa holder, such as work or study rights.

VEVO Visa Details Checks are only current at the time conducted and should only be considered valid when received directly from the VEVO system.

Not all visas allow people to work. Some Australian visas have work conditions which may include not being able to work at all or only being able to work with a certain employer or a specific number of hours.

Foreign nationals who do not have a valid visa are not allowed to work in Australia. This might include a person whose visa has expired or been cancelled.

Employers are strongly encouraged to conduct their own VEVO Visa Details Check as it is a criminal offense to hire or refer illegal workers in Australia.

Employers who hire, or refer workers without the right to work, face serious penalties including fines or imprisonment.

With the permission of the visa holder, registered employers may conduct a VEVO Visa Details Check to confirm the visa details and conditions of employees. For more information about employing a visa holder, please go to: <https://www.homeaffairs.gov.au/legalworkers>

### Visa condition(s)

8105 - Work restriction:

You must not work in Australia before your course of study commences.

Student visa holders, who are not studying a masters by research or a doctorate degree, must not work more than 40 hours per fortnight in Australia while their course is in session. A fortnight means the period of 14 days commencing on a Monday.

A course is in session:

- in line with your school semesters (includes exams periods)
- if you take another course that will count towards your main course during term breaks

Work experience is included in a student's work restriction of 40 hours per fortnight whether it is paid or unpaid.

There is an exception, where a work experience unit forms a mandatory component of a student's course and is included in the Commonwealth Register of Institutions and courses for Overseas Students (CRICOS) registration of that course. In this circumstance, the work experience will not be included in the student's work restriction of 40 hours per fortnight.

Any work experience/work placement that is not a mandatory course requirement, or that is in excess of the period required in the course registration, is included in a student's work restriction of 40 hours per fortnight.

For example: a pharmacy student undertaking a mandatory 4 week block of on the job training has unlimited work rights for the purpose and duration of the work placement as documented in the registered course structure.

As a student visa holder, you can be considered to have worked if you have:

- attended a place of work for a period by a roster or timesheet (but not during unpaid breaks)
- been 'clocked on' to an electronic system that records a work activity
- received payment for work, as shown in a payslip you have received (unless you provide evidence that you were not working during this time)

You can work more than one job as long as the total hours are not more than 40 in a fortnight.

If you are an employer, hiring a student visa holder you must request evidence that they have commenced their course, such as a confirmation or enrolment or a letter from the relevant education provider. Employers who have hired a student visa holder must ensure the employee is not working more hours than the employee's visa allows.

We are working with the Fair Work Ombudsman to help employees and employers understand and follow Australian Workplace laws.

For information on pay rates, shift calculations, leave arrangements and notice and redundancy entitlements see the [Pay and Conditions Tool \(PACT\)](#).

The Fair Work Ombudsman website has more information on workplace rights and entitlements see [visa holders and migrant workers](#).

For the full list of conditions relevant to your visa, see the [Federal Register of Legislation](#).

8202 - Meet course requirements:

You must:

- remain enrolled in a registered course (if you are a Foreign Affairs or Defence sponsored student or a secondary exchange student you must maintain full-time enrolment in your course of study or training)
- maintain enrolment in a registered course that is the same [Australian Qualifications Framework \(AQF\) level](#) or higher for which we granted your student visa, unless changing from AQF level 10 to level 9. See: [Change in study situation](#).
- maintain satisfactory attendance in your course and course progress for each study period as required by your education provider.

Note: A registered course is one that is on the [Commonwealth Register of Institutions and Courses for Overseas Students \(CRICOS\)](#).

Generally course gaps should not be more 2 months. A course gap can be more than 2 months if:

- it is the end of the academic year study break
- you are affected by [education provider default](#)
- you have completed your course and you are applying for a new visa

8501 - Maintain adequate health insurance :

You must have and maintain [adequate health insurance](#) for the whole of your stay in Australia.

For more information on how this condition might apply to you see [your visa details](#).

8516 - Continue to satisfy the criteria for the grant of the visa :

8532 - Maintaining welfare arrangements for minors :

If you are younger than 18 years of age, you must have accommodation and support, and your general welfare must be maintained for the duration

To maintain your welfare, you must stay in Australia with:

- your parent or legal custodian or
- a relative who has been nominated by your parents or custodians who is aged over 21 and is of good character or
- have accommodation, support and general welfare arrangements in place that have been approved by your education provider

You must not change your arrangements without the written approval of your education provider. If your welfare arrangements are approved by your education provider you must not travel to Australia until your welfare arrangements start

- a confirmation of enrolment from your new education provider, or
