This condition means that you must maintain adequate arrangements for health insurance (generally Overseas Student Health Cover) while you are in Australia. You must not enter Australia before your Overseas Student Health Cover has begun. You are not permitted to remain in Australia after your Overseas Student Health Cover has expired. If you are a student from Norway, Belgium or Sweden you may not need to maintain Overseas Student Health Cover.

### **Work limitation (visa condition 8105)**

This condition means you must not engage in any work in Australia before your course of study commences unless at the time of applying for this visa, you held a substantive visa or a bridging visa (the previous visa) and you were permitted to work in Australia during the period that the previous visa was in effect.

You also must not engage in work in Australia of more than 40 hours a fortnight when your course of study or training is in session.

The 40-hour requirement does not apply if:

- you are engaged in work that was specified as a requirement of the course when the course particulars were entered into the Commonwealth Register of Institutions and Courses for Overseas Students; or
- you are the holder of a Student visa granted in relation to a masters degree by research or doctoral degree and you have commenced the masters degree or doctoral degree.

In this clause:

*fortnight* means the period of 14 days commencing on a Monday.

### **Meet course requirements (visa condition 8202)**

This condition means that you must be enrolled in a full-time course and satisfy the course requirements of your enrolment including the course level, course progress and course attendance. Unless you are a Defence, Foreign Affairs or secondary exchange student, the course you are undertaking must be a registered course with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

The course you are undertaking must give you a qualification from the Australian Qualifications Framework that is at the same level or higher level than the course mentioned in your grant letter.

For more information about the Australian Qualification Framework: [www.aqf.ed.au](http://www.aqf.ed.au)

### **Must maintain eligibility (visa condition 8516)**

This condition means that you must continue to maintain your eligibility as a person who would satisfy the criteria for the grant of your visa.

### **Maintain education for dependants (visa condition 8517)**

This condition means that you must ensure that adequate schooling arrangements are maintained for your school age dependants who will be in Australia for more than three months on the visa.

### **Under 18 approve welfare (visa condition 8532)**

This condition means that you must maintain adequate accommodation, support and general welfare arrangements. You are not permitted to change those arrangements without the approval of your education provider. This should be in writing. You are not allowed to enter Australia before the date specified by your education provider.

### **Inform education provider of address (visa condition 8533)**

This condition means that you must notify your education provider within seven days after arriving in Australia of your residential address (if you were outside of Australia at time of grant). In all cases, you are also required to notify them of any change to your residential address in Australia within seven days after the change.

If you intend to change education provider you are required to notify your former education provider within seven days after receiving an electronic Confirmation of Enrolment (COE) or other evidence of enrolment.
