Work limitation (visa condition 8105)

This condition means you must not engage in any work in Australia before your course of study commences unless at the time of applying for this visa, you held a substantive visa or a bridging visa (the previous visa) and you were permitted to work in Australia during the period that the previous visa was in effect.

You also must not engage in work in Australia of more than 40 hours a fortnight when your course of study or training is in session.

The 40-hour requirement does not apply if:

- you are engaged in work that was specified as a requirement of the course when the course particulars were entered into the Commonwealth Register of Institutions and Courses for Overseas Students; or
- you are the holder of a Student visa granted in relation to a masters degree by research or doctoral degree and you have commenced the masters degree or doctoral degree.

In this clause:

fortnight means the period of 14 days commencing on a Monday.

Meet course requirements (visa condition 8202)

This condition means that you must be enrolled in a full-time course and satisfy the course requirements of your enrolment including the course level, course progress and course attendance. Unless you are a Defence, Foreign Affairs or secondary exchange student, the course you are undertaking must be a registered course with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

The course you are undertaking must give you a qualification from the Australian Qualifications Framework that is at the same level or higher level than the course mentioned in your grant letter.
